

Robway RCI Training

We provide training on all RCI systems

Training is tailored to student requirements and can include:

- Selecting the appropriate RCI
- Installation requirements and techniques
- System operation (RCI1502/RCI1550/RCI3100/RCI4000/RCI4100/RCI8200)
 - Calibration (dynamometer and/or load moment)
 - Data log download and interpretation
 - ELog
 - Fault finding

Cost -\$650.00 per day (includes course notes and lunch but not accommodation or travel)

If you would like to attend one of our courses please complete the following form and fax to 08 8352 1684/+61 88352 1684 or email to mail@robway.com.au :

(Please note that payment is normally required prior to course dates.)
